We are pleased to invite you to the opening of the group show BERLIN SHOW #3: Glimpse, on Friday, March 4 from 6 to 10 pm.

The exhibition gathers some of the remarkable works seen in the studios of different artists we have met in the recent years. We have chosen as a time frame, the period starting with 2008, the year the Berlin gallery opened, exhibiting works that we have found during this time and that have left a powerful imprint upon us. These works were created by artists to whom the gallery, as a space of production, exhibition and representation, has no constant commitment. The emotional impact and the personal relationship we have established with these pieces are the driving force of this show.
